SPECIAL INTEREST GROUPS AND ACTIVITIES

We offer many special interest groups and seasonal activities, many year-round. Newsletters are emailed for our 9 most active months (September through May), with a lighter summer schedule by emails. We encourage New Members to get involved quickly and try multiple activities. The more you reach out and engage, the more you'll get out of the club and develop new interests and friendships. Take the step – join now by filling out the form! Or if you have any questions, call Paul Reardon (309-369-4551). We look forward to welcoming and engaging our new members!
